

## Your Retiree Medical Plan Information Session

### Get To Know Your Orange County HRA Plan

Hosted by: Mark Fitzpatrick and Marcus Marshall

Rising health care costs are a major concern, especially in retirement. Created exclusively for public employees, your County of Orange Health Reimbursement Arrangement (HRA) Plan helps you pay for future health care costs after separation from service.

Come learn the ins and outs of your County of Orange HRA plan including how to access your account, manage your investments, and file for claims reimbursement when appropriate. To register, use the “Register Now” button below and fill out your information after selecting the seminar when you arrive on the event registration page. It will have the same time and date as the invitation.
