## STEPS TO GET READY FOR 2024 OPEN ENROLLMENT:

1

**Learn about important retiree health plan changes.** You need to see if your plan will be **replaced** with a similar option in 2024. Your Open Enrollment Newsletter (arriving in early October) will have details. For an early preview, go to **hrs.ocgov.com/anthem.phase.out**.

**There may be changes that impact you!** To avoid any surprises, make sure you learn about the changes to plan options.

2

**Review your Open Enrollment solicitation letter.** Arriving around the second week in October, this will include a summary of your current elections, your 2024 Retiree Medical Grant amount (if applicable) and monthly rate sheets for each plan.

3

**Get a head start on October 11.** Go online (**mybenefits.ocgov.com**) and click the banner titled “Get Ready for Open Enrollment! Prepare Now.”

4

**Attend a webinar.** Non-Medicare retirees can learn about their plan options on October 6. Medicare-eligible retirees can learn about the Humana Medicare Advantage PPO on October 11. For details, go to **hrs.ocgov.com/employee-benefits**.

5

**Attend the Open Enrollment Fair on October 16.** Talk directly with our health plan vendors! For details, go to **hrs.ocgov.com/employee-benefits**.
