

Freedom and flexibility

Wellwise & Sharewell

This plan gives you the freedom to choose doctors and hospitals from our broad PPO network and the flexibility to seek care outside the network. You will usually pay less for services from PPO in-network providers.

Plan highlights

- Once you've met your deductible, you pay a copayment or coinsurance for most services. You will usually pay less for services from in-network providers.
- Self-referral to specialists – no need to see your primary care physician first.
- Access to virtual health care with Teladoc's doctors and mental health professionals who can treat many medical and behavioral health issues.
- Mental health benefits for help with depression, mental illness, and alcohol or substance use disorder. Some services are also available virtually.
- Ability to see any participating chiropractor or acupuncturist without a referral from a primary care physician.
- Coverage for medical care across the United States and for urgent and emergency care anywhere in the world.
