ARTICLE I WORKWEEK, OVERTIME AND PREMIUM PAY

Section 1. Workweek

- A. The official workweek or work period for County employees shall be as follows:

Except as otherwise provided below, the official workweek for full-time employees shall be forty (40) hours and shall begin on each Friday at 12:01 a.m. and end with the following Thursday at 12:00 midnight, except for employees who work a 9/80 schedule, their workweek begins and ends at the mid-point of their eight (8) hour shift.

Work ordered and performed in excess of forty (40) hours actually worked in a designated workweek shall be overtime. Work ordered and performed in excess of forty (40) hours of paid time in a workweek in accordance with an emergency declared by the Board of Supervisors, activation of the County's Emergency Operations Center (EOC), or agency Department Operations Center (DOC), shall be overtime. Unless specifically identified as paid time, meal breaks shall be considered unpaid and unworked time.

- B. The County agrees to give employees a seven (7) calendar day advance notice of a shift change whenever practicable.
- C. No employee shall be permitted to work more than sixteen (16) consecutive hours except in an emergency situation.
- D. The County shall discuss with the Union any proposed changes in existing scheduled hours of work before such changes are put into effect. Whenever practicable, the County shall provide written notification of such proposed changes to the Union at least fourteen (14) calendar days before such changes are put into effect.
- E. When a new shift is created, the County shall first seek volunteers to fill it. If there are more volunteers than necessary, the new shift shall be filled by seniority. Volunteers may be refused if their most recent evaluation is rated "does not meet performance objectives." If there are not enough volunteers, the remaining positions will be filled in reverse order of seniority. The parties agree that when a compelling need exists, e.g., specialized knowledge, specialized skill, emergency conditions, undesirable reporting relationships, the County may designate employees to be assigned to the new shift.
- F. Except as otherwise provided, no employee may be employed in one (1) or more positions, full or part-time, more than the total number of hours for the employee's work period as defined in A., above, except on authorized overtime.
- G. This Section shall not prevent an employee or group of employees from requesting a modified work schedule. Such requests may be implemented by a Department.
1. Upon written request by the Union, the County agrees to study the

feasibility of establishing work schedules consisting of either:

- a. four (4) ten (10) hour workdays per week;
 - b. four (4) nine (9) hour workdays each week with an additional eight (8) hour workday on alternate weeks; or
 - c. flex time.
2. The County shall initiate such studies within thirty (30) days and provide a written response within ninety (90) days.
 3. The Union agrees not to request more than three (3) such studies concurrently and no more than one (1) concurrently for each department.
 4. The County agrees to discuss with the Union any findings and recommendations prior to reaching a final decision and implementation.
- H. In addition to any other position or positions that are held, an employee may also voluntarily work in a capacity authorized for the Registrar of Voters in the course of an election provided that such election work does not unduly interfere with the employee's regular assignment. Election work shall be compensated at the rate authorized for such work.
- I. Upon adoption of this MOU, a workgroup will be formed within forty-five (45) calendar days, including County and Union representatives, to discuss the feasibility of a 4/10 work schedule for employees in the Operations and Maintenance division at Orange County Public Works.

Section 2. Overtime

A. Notification of Employees of Work Required Beyond Normal Schedule

If in the judgment of the Department, work beyond the normal workday, workweek or work period is required, the Department will notify any employee who may be asked to perform such overtime of the apparent need for such overtime as soon as practicable prior to when the work is expected to begin. If this additional work results in hours worked in excess of forty (40) hours in the employee's designated workweek, the employee shall be compensated for the excess hours at the overtime rate as defined by Section 2.C.1.

B. Distribution of Overtime and Call-Back

1. The County will make a reasonable effort to make voluntary overtime and call-back available on an equal basis to employees best qualified to perform the work.
2. The County shall prepare an overtime and call-back list for each class and work location in each department. Separate lists may be prepared as needed for jobs with special requirements not possessed by all

employees in the class. Names shall be placed on the list in order of seniority within occupational series. An updated list will be posted and provided to the Union steward when changes occur.

3. Except in cases of emergencies, offers to work overtime or call-back shall be given in sequence going down the list from the last previous person working overtime/call-back, other than emergency or project starting during an assigned shift, until an employee agrees to work. An employee who declines the overtime/call-back, is not available or cannot be reached at work or at home by phone will be bypassed. When the bottom of the list is reached, overtime/call-back opportunities shall be offered to employees starting at the top of the list. Any employee who is incorrectly passed over for an overtime or call-back opportunity shall be offered the next available opportunity.
4. If every employee on the list declines the overtime/call-back, the County may require employees to perform overtime/call-back in the reverse order of their seniority in the class.
5. If overtime is necessary on a project that started during an assigned shift, the employee(s) working on the project may continue working on the project as an extension of the assigned shift.

C. Payment for Overtime

1. Overtime shall be compensated at one and one-half (1-1/2) times the regular rate.
2. For all regular, limited-term and probationary employees, the employee may receive either payment or Compensatory time off for overtime. The County shall have the discretion whether to provide payment or Compensatory time off; however, if practicable, the County shall duly consider an employees' preferred form of compensation. Employees may not accumulate in excess of eighty (80) hours of Compensatory time. Employees who have accumulated eighty (80) hours of Compensatory time shall receive payment for overtime worked.
3. Compensatory time earned and accrued by an employee in excess of thirty (30) hours may be scheduled off for an employee by his or her department; however, consideration shall be given to effectuating the wishes of those employees requesting specific Compensatory time off periods.
4. No scheduled Compensatory time off will be cancelled except in cases of emergency.
5. In no case may an employee's work schedule be changed during the workweek when the purpose of such change is to avoid overtime compensation.

6. Time worked as overtime shall not be used to earn fringe benefits or to serve out probation or merit increase periods. Compensatory time off may be used as part of the established workweek to earn fringe benefits and to serve out probationary and merit increase periods.
7. An employee separating from the County service shall be paid for accumulated Compensatory time in a lump sum payment.

Section 3. Rest Periods and Cleanup Time

- A. Employees shall be allowed rest periods of fifteen (15) minutes during each four (4) consecutive hours of work.

Such rest periods shall be scheduled in accordance with the requirements of the Department, but in no case shall rest periods be scheduled within one (1) hour of the beginning or the ending of a work shift or lunch period. The County may designate the location or locations at which rest periods may be taken.

Rest periods shall be considered hours worked and employees may be required to perform duties, if necessary.

- B. Each employee shall, when necessary, be permitted up to fifteen (15) minutes of paid County time at the end of each work shift to perform such activities as personal wash-up, changing clothes, cleaning up a work area, and putting away tools.
- C. Lunch Periods

Each employee shall be allowed a meal period of not less than thirty (30) minutes and not more than sixty (60) minutes as determined by the Department. Such meal period shall be generally scheduled in the middle of the work shift and shall not be considered hours worked.

- D. Emergency Meals During Overtime Shifts

During emergencies which require unusual amounts of overtime, employees who are required to work such excessive overtime shall be provided appropriate meals. Such meals shall either be provided by County contract, such as that provided on a fireline, or the employee shall be authorized a meal ticket. The determination as to how such meals are provided and the amount authorized shall be at the discretion of the department.

Section 4. Premium Pay

- A. Night Shift Differential

1. An employee who works an assigned night shift shall, in addition to his or her regular salary, be paid a night shift differential for each hour actually

worked on the assigned night shift. This provision shall also apply to employees in the Custodian classification.

2. For purposes of this Section, night shift shall mean an assigned work shift of seven (7) consecutive hours or more which includes at least four (4) hours of work between the hours of 4 p.m. and 8 a.m. Overtime which is worked as an extension of an assigned day shift shall not qualify an employee for night shift differential.
3. The rate of night shift differential shall be five (5) percent of the employee's basic hourly rate with a minimum of eighty cents (80¢) per hour and a maximum of one dollar (\$1) per hour.

B. On-Call Pay

1. When a regular, limited-term or probationary employee is assigned on-call duty by the County, the employee shall, whenever practicable, be informed in writing at least five (5) days in advance of the dates and inclusive hours of such assignment; the employee shall be compensated at one-fourth (1/4) of his or her basic hourly rate for the entire period of such assignment.
2. On-call duty requires the employee so assigned: (1) to be reachable by telephone or other communications device; (2) be able to report to work in a reasonable time; and (3) to refrain from activities which might impair his or her ability to perform assigned duties.

C. Call-Back Pay

1. When an employee returns to work because of a Department request made after the employee has completed his or her normal work shift and left the work station, the employee shall be credited with four (4) hours work plus any hours of work in excess of four (4) hours in which the employee is continuously engaged in work for which he or she was called back.
2. Call-back shall be paid at one and one-half (1-1/2) times the regular rate.
3. There shall not be any duplication or pyramiding of rates paid under this Section.
4. An employee shall be credited with not more than one (1) minimum four (4) hour guarantee for work performed during any four (4) consecutive hour period.
5. An employee credited with four (4) hours pursuant to this Section may be assigned other work until the guaranteed time has elapsed.
6. Call-back pay shall apply only when an employee is required to physically return to work (e.g., leave home or another off-duty location) in order to

perform required duties.

7. Notwithstanding the above, if an employee receives a “call back” within four (4) hours of the beginning of the regular shift, the employee will only be paid at time and-one-half for the time period the employee begins to work until the beginning of the employee’s regular shift.

D. Bilingual Pay

1. Qualified employees who meet the following criteria shall receive an additional sixty (60) cents per hour (approximately one hundred four [104] dollars per month) for all hours actually paid.
 - a. An employee must be assigned by departmental management to speak or translate a language in addition to English. This includes such specialized communication skills as sign language.
 - b. Employees must regularly and frequently speak and/or translate a second language, i.e., once daily.
 - c. To become qualified, employees must be certified as qualified by the Chief Human Resources Officer.
2. Bilingual pay shall not apply to workers' compensation supplement pay.
3. An employee in a bilingual assignment may request assignment to a position which does not require bilingual certification. The request shall be made in writing to the department head, who will consider it according to:
 - a. department need;
 - b. availability of a qualified replacement; and
 - c. availability of another suitable assignment for the requesting employee.

E. Firefighting

Any employee, when called back to fight fires at a landfill station, shall receive fifteen (15) dollars per call in addition to call-back pay.

H. Confined Spaces Pay

Effective June 29, 2001, employees who go underground as part of the Confined Spaces Team shall receive one (1) dollar per hour for hours paid, as defined below. Time taken at the confined space worksite to put on safety gear and time spent at the confined space worksite in safety gear in preparation for entering a confined space shall count as time spent actually working in confined spaces.

Confined spaces as used herein, shall be defined consistent with the General Safety Orders, Article 108 of Title 8, California Administrative Code. Examples of confined spaces which may be eligible are: compartments, ducts, sewers, pipelines, vaults and pits.

I. High Lift Pay

Employees who work upon scaffolds or hanging platforms, at or above twenty (20) feet above grade (i.e., swing stages and bosuns’s chairs), including work upon a platform while rigging, shall receive a high lift pay differential. The differential will be paid only for those hours actually worked under these conditions at a rate of eighty-five (85) cents per hour, at a minimum of four (4) hours for any day in which qualifying work is performed. Travel time shall not be considered as qualifying for this differential.

J. Watercraft Differential Pay

Employees in positions in the class of Marine Mechanic regularly assigned to work on County watercraft, shall receive a differential of twenty-five (25) cents per hour for each hour actually paid.

K. Commercial Driver’s License Pay

2. Department management will determine the level of license required

for a particular assignment, and will also determine which assignment(s) will qualify to receive this pay.

3. Employees who are participants in the Department of Transportation (D.O.T.) Commercial License Program will qualify to receive this pay.

L. Automotive Service Excellence (ASE) Certification Pay

1. Employees in the classification of Fleet Technician I, II or III who possess and maintain four to seven valid ASE Certifications shall receive an additional fifty-five cents (\$0.55 cents) per hour for all hours worked; this may not be combined with 2. below.
2. Employees in the classification of Fleet Technician I, II, or III who possess and maintain eight or more valid ASE Certifications shall receive an additional seventy-five cents (\$0.75 cents) per hour for all hours worked; this may not be combined with 1. above.
3. There shall not be any duplicating or pyramiding of rates paid under this section. Therefore, employees who are eligible to receive one of the ASE Certification Pays listed in items 1 and 2 above, may not receive both in the same pay period.

M. National Commission for the Certification of Crane Operators or Airframe and Power Plant Certification Pay

Upon adoption of this MOU, a working group will be formed within forty-five (45) calendar days, including County and Union representatives, to discuss the possibility of implementing a specialty pay for unit members required by Management to have either the NCCCO or Airframe and Power Plant Certification.

ARTICLE II PAY PRACTICES

- A. A new employee shall be paid at the recruiting step of the salary range in effect for the particular class or position in which the new employee is hired except as provided in Sections 3.B., C., and D., below.
- B. Upon recommendation of the Chief Human Resources Officer, the Board may, by minute order, authorize that a particular position be filled at any step within the range. When the Board authorizes the filling of the position at a step which is higher than the recruiting step of the salary range, it may, by minute order, advance the salary of incumbents of positions in that class or related classes in order to retain equitable relationships.
- C. The Department Head may authorize the appointment of employees at any of the first seven (7) steps of the salary range. Such appointments shall be made only when the Department Head makes a determination that there is a direct and measurable benefit to the County from such appointments and makes a determination that the applicant's previous training and experience enables him or her to make a greater contribution than a less experienced employee.
- D. Upon recommendation of the Department Head, the County Executive Officer may authorize the appointment of employees beyond step seven (7) of the salary range when there is a direct and measurable benefit to the County for such appointment.

- E. 1. The County may adjust the recruiting step of classes during the term of this Agreement, wherever justified, by recruiting and labor market considerations.
- 2. If a recruiting step is decreased, incumbents of the class will be unaffected.
- 3. If a recruiting step is increased for a class, all employees in that class below the new recruiting step shall be advanced to the new recruiting step and a new merit increase date shall be assigned as provided in Section 3.C. for new employees.

Section 4. Merit Increase Within Range

- A. Salary increases within a range shall not be automatic. They shall be based upon merit and granted only upon the affirmative recommendation of the department head.
- B. A new or reemployed employee in a regular or limited-term position shall have a merit increase eligibility date which shall be the first day of the pay period following the completion of the first twenty-six (26) weeks of service within that class. The granting of an Official Leave of Absence (other than a Military Leave), or the imposition of a suspension shall cause the merit increase eligibility date to be extended a number of calendar days equal to the Official Leave or suspension. The extended merit increase eligibility date will be effective the first day of the pay period after said date. Subsequent merit increase eligibility dates shall be the first day of the pay period following the completion of fifty-two (52) week intervals subject to the same postponement for Official Leaves of Absence or suspensions.
- C. An employee in a part-time regular or limited-term position who has not completed one thousand forty (1040) paid hours exclusive of overtime by his or her first merit increase date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of one thousand forty (1040) paid hours exclusive of overtime. Likewise, an employee in a part-time regular or limited-term position who has not completed two thousand eighty (2080) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his or her merit increase eligibility date postponed until the first day of the pay period following completion of two thousand eighty (2080) paid hours exclusive of overtime. Where an employee's record consists of a combination of full-time and part-time service, both periods of service shall apply towards merit increase eligibility with the part-time service being applied proportionately to the appropriate full-time interval.
- D. Merit increases may be granted for one (1), two (2), three (3) or four (4) steps within the salary range based upon the employee's performance. A performance

rating of "meets performance objectives" shall earn a two (2) step increase.

- E. If, in the Department's judgment, the employee's performance does not merit a salary increase on the merit increase eligibility date and a deferral of decision accompanied by an intensive effort at improved performance might be productive, the department shall complete the structured merit rating and defer a decision regarding the merit increase any number of pay periods, but not to exceed thirteen (13) pay periods. A deferral of less than thirteen (13) pay periods may be further extended not to exceed thirteen (13) pay periods from the original merit eligibility date. The employee may be reevaluated at any time, but in any event shall be reevaluated on the structured merit rating prior to the end of the thirteenth pay period. The employee's merit increase eligibility date shall not be changed by such deferral.
- F. Should an employee's merit increase eligibility date be overlooked through an error and upon discovery of the error the employee is granted a merit increase, the employee shall be compensated for the additional salary the employee would have received dating from the employee's merit increase eligibility date.

Section 5. Salary on Promotion

- A. Except as modified by B. and C., below, a regular, limited-term or probationary employee who is promoted to a position in a class with a higher salary range shall receive the recruiting salary for the higher class or such higher amount as would be the closest to a two (2) step increase on the range over the salary received prior to the promotion not to exceed the top step of the range. A new merit increase eligibility date shall be established which shall be the first day of the pay period following completion of the first twenty-six (26) weeks of service in the new class except that the employee will retain his or her former merit increase eligibility date if the promotion was a result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B.
- B. Any employee who is promoted to a class from which the employee was previously reduced without a salary decrease shall be placed at a salary step no higher than the step which the employee would have achieved if the employee had remained in the class to which he or she is promoted and had demonstrated at least standard performance. The employee's merit increase eligibility date shall be reestablished in order to credit the employee with any time formerly served in the higher class.
- C. Upon recommendation of the Department Head, the County Executive Officer may, based on consideration of such factors as external market data, internal salary relationships, position responsibilities, individual performance and sound management principles, approve a rate of pay on promotion not to exceed the top of the pay range to which the employee is being promoted.

Section 6. Salary on Reassignment

- A. When a regular, limited-term or probationary employee is reassigned to a class with the same recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation

status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

- B. When a regular, limited-term or probationary employee is reassigned to a class with a higher recruiting step, such employee's salary shall be advanced the number of steps difference between recruiting steps and the employee shall retain his or her former merit increase eligibility date, except as provided in E., below. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.
- C. When a regular or limited-term regular employee is reassigned to a class with a lower recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.
- D. When a probationary or probationary limited-term employee is reassigned to a class with a lower recruiting step, such employee shall have the same salary, step status, probation status and merit increase eligibility date as would have been achieved if the employee had been in the new class throughout the period of such service in the old class.
- E. When a regular, limited-term or probationary employee is involved in a series of reassignments among classes with the same salary range but different recruiting steps, or a series of reassignments among classes on different salary ranges or is reassigned through a Classification Maintenance Review as defined in Article XVIII, Section 2.B. to a class on a different salary schedule, his or her salary and merit increase eligibility date shall be determined by the Chief Human Resources Officer.

Section 7. Salary on Reduction

- A.
 - 1. When a probationary employee is reduced to a class not previously occupied by the employee, the employee shall receive the recruiting step for the lower class and shall receive a new merit increase eligibility date as provided in Section 3.C., above, or the employee's salary and merit increase eligibility date may be determined by the Chief Human Resources Officer.
 - 2. When a promotional probationary employee, an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee's department head is reduced to a class the employee occupied in good standing, the employee shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.
- B. When a regular or limited-term regular employee is reduced to a position in a lower class by demotion for reasons of unsatisfactory performance, the

employee's salary shall be reduced to a step on the salary range which would be the closest amount to a two (2) step reduction or the employee shall receive the maximum step of the salary range of the new class, whichever is lower. The employee's merit increase eligibility date shall be the first day of the pay period following completion of fifty-two (52) weeks of service in the new class, unless the employee thereby is placed at the recruiting step of the new salary range, in which case the employee's merit increase eligibility date shall be the first day of the pay period following the completion of twenty-six (26) weeks of service in the new class.

- C. When a regular or limited-term regular employee in good standing is reduced to a position in a lower class for physical disability or reasons other than unsatisfactory performance, the employee shall receive the highest salary in the new range that does not exceed the employee's rate of pay immediately prior to reduction and shall retain his or her merit increase eligibility date.
- D. When a regular, limited-term or probationary employee is reduced because the position the employee occupied is reclassified, the applicable salary shall be determined as follows:
 - 1. If the salary of the employee is the same or less than the maximum of the new class, the salary of the employee shall not change, except if the reduction is the result of a]. in which case the new salary will be the closest step on the new salary range which is not lower than the current rate of pay; in any case, the merit increase eligibility date of the employee shall not change.
 - 2. If the salary of the employee is greater than the maximum of the new range, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new range exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum of the new salary range, the salary of the employee shall be reduced to the maximum salary for the new class.

Y-RATE SCHEDULE

<u>Years of Full-Time Continuous Service</u>	<u>Duration of Y-Rate</u>
Less than 5 years	Two years from the date of reclassification
5 years but less than 10 years	Three years from the date of reclassification
10 years but less than 15 years	Four years from the date of reclassification

15 years but less than 20 years	Five years from the date of reclassification
20 years but less than 25 years	Six years from the date of reclassification
25 years or more	Seven years from the date of reclassification

3. When an employee on Y-Rate accepts a voluntary reduction, his or her salary shall be reduced by the amount of the difference between the maximum salary of the class from which the employee is being reduced and the maximum salary of the new class.

Section 8. Salary on Reclassification

The salary of a regular, limited-term or probationary employee whose position is reclassified shall be determined as follows:

- A. If the position is reclassified to a class with the same salary range, the salary and merit increase eligibility date of the employee shall be governed by Article II, Section 6.A., B. or C.
- B. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by Article II, Section 5.A.
- C. If the position is reclassified to a class with a lower salary range, the salary of the employee shall be governed by Article II, Section 7.D.2.

Section 9. Salary on Reemployment

- A. A person who is reemployed in the same occupational series in which the person held regular status and was separated in good standing may, upon approval of the Chief Human Resources Officer be appointed at a step higher than the recruiting step, but no higher than the step the person received at the time of separation unless appointment is at an advanced step or rate pursuant to Article II, Section 3.C.
- B. A former County employee on paid County retirement may be reemployed for the maximum allowable time, pursuant to Government Code provisions, in any one (1) fiscal year in a position requiring special skills and knowledge and may be appointed to the position at any step on the salary range.

Section 10. Changes in Salary Allocation

- A. Upon request of the County, negotiations shall be reopened for the sole purpose of considering an increase in salary allocation (unrelated to a classification study) for any class included in this Agreement. An increase in salary resulting from a classification study shall be subject to the provisions of

Article XVIII.

- B. If a class is reassigned to a different salary range, each employee in the class shall be compensated at the same step in the new salary range as he or she was receiving in the range to which the class was previously assigned.

Section 11. Additional Compensation

Notwithstanding anything in this Memorandum of Understanding to the contrary, when in the judgment of the Board, it becomes necessary or desirable to utilize the services of County employees in capacities other than those for which they are regularly employed, the Board may authorize and, if appropriate, fix an additional rate of compensation for such employees.

Section 12. Classification and Compensation Studies

The County agrees that in order to provide competitive compensation to employees and to remedy any current and/or future recruitment and retention problems, the County will conduct periodic classification and compensation studies.

The parties agree that no more than twice per calendar year, unless mutually agreed, either party may request a meeting to discuss the identity of the classifications to be studied, the order in which the studies are conducted, the number of studies and timeline for completion. Teamsters Local 952 may submit recommendations to the County for consideration on these issues. The final decision on these studies is solely within the County's discretion based upon variety of factors such as workload, staffing and budget.

3. When an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee's Department Head is reduced to a class the employee formerly occupied, the employee shall serve the remainder of any uncompleted probationary period in that class.

When an employee is returned to his or her former class under the provisions of this Section, the employee shall serve the remainder of any uncompleted probationary period in the former class. A regular employee who accepts promotion to a limited-term position, other than at the direction of the employee's department head, shall not have the right to return to his or her former class.

d. If the employee's former class has been deleted or abolished, the employee shall have the right to return to a class in his or her former occupational series closest to, but no higher than, the salary range of the class which the employee occupied immediately prior to promotion and shall serve the remainder of any probationary period not completed in the former class.

D. An employee who alleges that his or her probationary release was based on discrimination by the County in violation of Article XVII, NONDISCRIMINATION, may submit a grievance at Step 2 of the grievance procedure within fourteen (14) days after receipt of notice of failure of probation.

E. General Provisions

1. When an employee's record consists of a combination of full-time and part-time service in regular or regular limited-term positions, except as provided in Section 4.C., below, part-time service shall be applied proportionately by using total hours worked to appropriate full-time requirements. For purposes of this Section, one thousand forty (1040) hours shall equal twenty-six (26) weeks and two thousand eighty (2080) hours shall equal

fifty-two (52) weeks.

2. When a Department Head or his or her representative passes an employee on probation, that determination shall be based upon a written performance evaluation and shall be discussed with the employee. A probation period may not be extended without mutual consent of the employer and the employee, except as provided in Section 1. Fof this Article below.

If the employee is on probation, the extended probation period resulting from the Official or Military Leave of Absence shall end with the first day of the pay period after said extended date. An employee who is suspended shall have his or her probation extended by the length of suspension, with the extended probation period ending with the first day of the pay period after said extended date.
2. The Chief Human Resources Officer shall extend the new or promotional probationary periods of incumbents appointed as a result of a selection procedure which is appealed. Such probationary periods shall be extended no longer than sixty (60) calendar days from the date on which the County receives the Appeals Officer's findings and decision. In the event an employee's probationary period is extended by the provisions of this Section, and such an employee has served a probationary period which is longer than the probationary period normally prescribed for new or promotional probation, such an employee may fail probation during the extended period only upon recommendation of the Appeals Officer and final determination of the Board of Supervisors.
3. Upon mutual request of the employee and the Department, the employee's probation period may be extended at the sole discretion of the Chief Human Resources Officer for a period not to exceed ninety (90) calendar days provided such action is approved by the Chief Human Resources Officer before the normal probation period is completed.

Denial of a request to extend the new probation period shall not be

subject to appeal or hearing.

4. The Chief Human Resources Officer shall extend the probation period of employees with an employment authorization document which has an expiration date which would occur after the end of the probation period. Such probation periods shall be extended to coincide with the expiration date of the employment authorization document. In the event an employee's probationary period is extended by the provisions of this Section, and such an employee serves a probationary period which is longer than the normal probation period, such an employee may fail probation during the extended period only for failure to obtain a new, valid employment authorization document by the expiration date of the expiring employment authorization document.

Section 2. Performance Evaluation

- A. The County shall maintain a system of employee performance ratings designed to give a fair evaluation of the quantity and quality of work performed by an employee. Such ratings shall be prepared and recorded in the employee's personnel file for all regular and limited-term full and part-time employees at least once each year; and in addition, for employees on probationary status, at least once near the middle of the probation period.
- B. The County shall discuss with the employee the specific ratings prior to such ratings being made part of the employee's personnel file.
- C. When a performance evaluation is recorded in the personnel file of an employee, a copy of such evaluation, together with any attachment relating thereto, shall be given to the employee.
- D. The Department shall notify an employee as soon as practicable, if it appears that his/her substandard work performance may result in denial or deferral of his/her merit increase and/or a substandard performance evaluation, so that the employee may attempt to correct such conduct. The Union agrees that the question whether or not the supervisor actually responded "as soon as practicable" will not be grievable.

Section 3. Contents of Personnel File

- A. Adverse statements prepared by the County shall not be included in an employee's official personnel file unless a copy is provided to the employee.
- B. An employee shall have the right to inspect and review the contents of his or her official personnel file at reasonable intervals.
- C. In addition, an employee shall have the right to inspect and review the contents of his or her official personnel file in any case where the employee has a grievance related to performance; to a performance evaluation; or is contesting his or her suspension or discharge from County service.

- E. An employee shall have the right to respond in writing or personal interview to any information contained in his or her official personnel file, such reply to become a permanent part of such employee's official personnel file.
- F. Any contents of an employee's official personnel file may be removed pursuant to an agreement between the Chief Human Resources Officer and the employee concerned or by an order of an arbitrator, court or impartial hearing officer unless the particular item is otherwise required by law to be kept.

Section 4. Status of Limited-Term Employees

- A. All limited-term employees shall be subject to the same hiring standards and shall earn all benefits, except Article XI, LAYOFF PROCEDURE, which apply to employees in regular positions.
- B. A regular employee who transfers, promotes or reduces to a limited-term position on a voluntary basis and not at the direction of the department head shall become a limited-term regular employee.
- C. Limited-term employees hired under programs which involve special employment standards shall serve a new probation period upon transfer to permanent funded positions. Upon transfer to permanent positions, such employees shall maintain their original hire date for purposes of Vacation and Sick Leave accrual, retirement and layoff. The requirement that such employees serve a new probation period may be waived by the County. Limited-term employees not hired under programs which involve special employment standards shall, upon transfer to permanent funded positions, maintain their original hire date for purposes of Vacation and Sick Leave accrual, retirement, layoff and new employee probation.
- D. When funding ceases for a limited-term position or when the position is no longer necessary, the limited-term position shall be abolished and the incumbent shall be removed from the payroll except as provided in E., below.
- E. Regular employees who transfer, promote or reduce to limited-term positions at the direction of the Department Head shall retain their former status and retain their layoff benefits in their former layoff unit. The Department Head shall make such an order in writing prior to the date of transfer or promotion.

Section 5. Temporary Promotion

- A. A regular, probationary or limited-term employee who is assigned on a temporary basis to a higher level vacant regular or limited-term position shall be promoted on a temporary basis to that class when such employee has been assigned to the higher class for one hundred twenty (120) consecutive regularly scheduled hours of work and the employee has been performing all of the significant duties and responsibilities of the higher class, unless the employee

requests to be reassigned to his or her former class. At any time before the temporary promotion is made, such employee may request to be reassigned to his or her former class. In such a case, the employee shall be reassigned within five (5) working days.

- B. A Department may, at its option, waive the one hundred twenty (120) hour requirement when it is necessary to utilize a regular, probationary or limited-term employee in a higher level vacant regular or limited-term position for a period that is expected to be at least one hundred twenty (120) regularly scheduled hours but not to exceed eighteen (18) months.
- C. An employee on temporary promotion shall not be placed on promotional probation. Upon return from temporary promotion, an employee shall serve the remainder of any uncompleted probationary period in the employee's former class and shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.
- D. At the end of the employee's assignment to the higher class, the employee shall have the right to return to his or her former class and department. A temporary promotion shall not exceed a period of eighteen (18) months.

Section 6. Reemployment of Employees on Disability Retirement

The County will advise employees retired for disability to contact the Orange County Employees Retirement System (OCERS) to determine the impact of reemployment on their disability retirement benefits prior to accepting reemployment.

Section 7. Reemployment of Regular Employee

A regular employee who leaves County employment and is reemployed within fifteen (15) calendar days shall be deemed to have been on Departmental Leave for such period of time.

Section 8. Time Off for Selection Procedures

A regular, limited-term or probationary employee shall be entitled to necessary time off with pay to participate in tests of fitness, examinations and interviews required by the Chief Human Resources Officer during working hours for the purpose of determining eligibility for movement to another class in the County service or transfer from one department to another.

Section 9. Transfer Policy for Union Officers and Grievance Representatives

Management shall not, wherever practicable, assign a Union officer or Grievance Representative to a different location if:

- B. the Union objects to such assignment (the Union shall not object to such assignment change, except for good cause); and

- C. there is another employee in the same classification in the department who meets the specific qualifications for the assignment.

Section 10. Training

- A. Upon approval of the Department Head, employees may participate in various County sponsored training programs. The County and the Union will inform employees of these training programs.
- B. During the term of this Memorandum of Understanding, the Union may request specific training or development opportunities for various employees in this Unit. The County agrees to discuss such requests with the Union and consider implementation.

Section 11. Subcontracting

- A. To the extent required by the Meyers Miliias Brown Act as outlined in Government Code sections 3500 et. seq., the County agrees that under no circumstances will it subcontract bargaining unit work without first providing the union notice and an opportunity to meet and confer.
 - 1. Bargaining unit work is defined as work coming within the job duties of each classification covered by this MOU. It does not include warranty work resulting from a County purchase or changes in employee duties or workload as the result of the County's decision to modify or reduce services.
 - 2. This provision only applies to new contracts entered into after the adoption of this contract and does not apply to existing contracts or renewal of existing contracts unless the renewal of an existing contract specifically expands the scope of services to be provided and impacts bargaining unit work.
- B. Prior to any such new or expanded subcontracting, the County shall provide the Union with not less than forty-five (45) days' notice of the proposed subcontracting. All such notices shall be sent by the County to the Union through both electronic mail and USPS certified mail to the person(s) the Union has designated to receive such notices.
- C. Within fourteen (14) calendar days of the above notice, the Union may request and, the County shall meet and confer over the decision to subcontract as well as the effects of the proposed subcontracting. Should the Union not request to meet and confer with the County within fourteen (14) days of the above notice, the County will move to implement the proposed subcontracting.
- D. Should the Union and Employer fail to reach agreement in the meet and confer process, the Union may submit a request for mediation to the Chief Human Resources Officer not less than fourteen (14) calendar days prior to the proposed date of implementation. The parties agree to request mediation from the

California State Mediation & Conciliation Service within seven (7) days of the request received from the Union. Any opinion expressed by the mediator shall be informal and considered advisory.

- E. Should the County and Union fail to reach an agreement through mediation, the Union reserves the right to pursue all legal remedies, including but not limited to, requesting fact-finding as provided by Government Code section 3505.4.
- F. The County shall, in addition to the other notice provisions of this Article, upon adoption of the 2023-2026 MOU provide to the Union, a current list of subcontracts the County has entered into with regard to the performance of bargaining unit work. Said list shall include, among any other relevant data, the name of the contractor, the duration of the subcontract, the work covered by the subcontract and the cost(s) to be and/or already paid to the subcontractor for such work.
- G. As other legal remedies are available to the Union, breaches of this section shall not be grievable under Article X of this MOU, except for the County's violation(s) of any of the time/notice limitations set forth in this Article.

ARTICLE IV LEAVE PROVISIONS

Section 1. Sick Leave

A. Accumulation of Sick Leave

1. During the first three (3) years of employment, an employee shall earn .0347 hours of Sick Leave with pay for each paid hour in a regularly scheduled workweek or period to a maximum of eighty (80) hours in a pay period (approximately seventy-two [72] hours per year).

Such request must be made at least thirty (30) calendar days prior to the effective date of his or her retirement. Such payoff shall be made prior to the effective date of the employee's retirement.
4. Upon request of the County, negotiations shall be reopened to consider alternative Sick Leave incentive/control programs.
 5. When a person is reemployed in a regular or limited-term position, the Chief Human Resources Officer may, upon the request of the Department, apply the period of previous County continuous service for the purpose of determining Sick Leave earning rates. Notwithstanding the above, if an employee separates from the County and is rehired within one year from the date of separation, previously accrued and unused paid sick days shall be reinstated to the extent required by law. The employee will also be entitled to use those previously accrued and unused paid sick days and to accrue additional paid sick days upon rehiring to the extent required by law.

In the event there are circumstances necessitating use of bereavement leave beyond six (6) months but no more than twelve (12) months, prior written approval must be received from the supervisor within six (6) months of the loss.
- E. An employee may request additional time off for bereavement. If granted by Management, such additional time off for bereavement shall be charged to the employee's accrued balances as set forth in Article IV – Section 1. Article V, or Article VI.

shall not apply.

3. Upon request, an employee who has requested and identified a valid need for Family Leave pursuant to Section 13 and applicable law, shall be granted Official Leave to the extent required by such law. Such leave shall be authorized only after an employee's completion of Departmental Leave and after all accumulated Compensatory time and Vacation accruals and/or the portion of the Annual Leave balance subject to 100% payoff have been applied toward payment of the absence. In addition, where appropriate under the provisions of Article IV, Section 1.B., or Article VI, Section 1, the employee may be required to apply all Sick Leave or Annual Leave accruals toward payment of the absence before an Official Leave will be authorized.
4. An employee shall give notice two (2) weeks prior to the date he or she wants to return to work except that an employee returning from Family Leave shall give the lesser of two (2) weeks' notice or the maximum notice allowable under applicable law. If an employee does not give the required notice prior to the date he or she wants to return to work, the department shall not be required to return the employee to work until the employee gives such notice; however, the Department may waive the notice or reduce the notice period at its discretion.
5. Except as to leaves which must be granted pursuant to Sections 11, 12.A, and 13 of this Article, the Department shall: (a) indicate on the request its recommendations as to whether the request should be granted, modified or denied; (b) promptly transmit the request to the Chief Human Resources Officer; and (c) deliver a copy to the employee.
6. If the Department modifies or does not approve a request for Official Leave, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

For employees who are disabled because of pregnancy, as defined by state law, the County will maintain and pay for an eligible employee's coverage under the County's group health plan for the duration of the leave, not to exceed four (4) months over the course of a 12-month period, at the level and under the conditions that coverage would have been provided if the employee had continued in employment continuously for the duration of the leave.
- B. If additional Leave is desired, the employee may request additional Leave in accordance with Official Leave, Section 3.B., above.
- C. Unless otherwise required by law, an employee shall not be entitled to more than one (1) such Leave pursuant to this Section per twelve (12) month period.

Fees for jury duty performed during hours other than regularly scheduled working hours may be retained by the employee. Any hours worked beyond the regularly

scheduled workday shall be subject to the workweek and overtime provisions (Article I). An employee may request a change in regularly scheduled working hours to a Monday through Friday day shift for the duration of such jury duty. Such requests shall be granted if practicable.

Teamsters Local 952 will provide County Employee Relations with a ten (10) calendar day advanced notice of the time, location and expected duration of the meeting, and a list of those who will be attending the meetings. Teamsters Local 952 will send verification to County Employee Relations of employee attendance for those released to attend within ten (10) calendar days. Failure to do so may result in waiver of the employees' release time.

An employee may not interrupt or leave his or her job to attend one of the foregoing meetings if his or her supervisor determines that the interruption or absence will unduly interfere with the work of the employee's unit. However, an effort will be made to grant such time off as soon as it is

feasible to do so.

- K. Attendance at other Union Meetings – employees may attend other union-related meetings, such as union trust meetings, union steward meetings (beyond the provision in section J.3 above), union training and committee meetings, provided the employees provide reasonable advance notice of the time, location and expected duration of the meeting, and the supervisor determines that attendance at the meeting would not adversely affect County operations. An employee must use accrued paid leave time (e.g., Vacation, Annual Leave or compensatory leave time) to attend such meetings if the meetings are held during the employee’s scheduled work day. If an employee has no accrued leave balances and the meeting is held during the employee’s scheduled work day, that employee will not be released to attend such meeting unless there is prior mutual agreement between the County and Teamsters Local 952 for that employee to be released and attend the meeting in non-paid status.

- B. Vacation and Sick Leave accrual rates will apply to the employee as though

he or she were on duty status.

Reimbursement to employees granted Leave pursuant to A. and C., above, shall be at the employee's base hourly rate of pay not to exceed eight (8) hours per day. In those cases where overtime is paid to an employee who replaces an employee's granted Leave, the overtime premium (one-half [1/2] time) shall be paid from the fund.
- D. If the funds in the trust fund are insufficient to cover all or any part of a Leave, the funds shall be dispersed in the same order as the Leave was approved, and the County shall not be liable for providing any additional funds to the trust fund.
- E. The Union shall indemnify and hold the County harmless from any liability or claim arising out of the administration of the trust fund.
- F. The Union agrees to reimburse the County for reasonable cost of

administering the trust fund upon request.

- E. An employee who is permitted to continue his or her employment pursuant to C. and/or D., above, shall not be paid for the period of his or her unauthorized

Section 13. Family Leave

A. General Provisions

- 1. Family Leave shall be granted to the extent required by law. The following provisions set forth certain of the rights and obligations with respect to this leave. Rights and obligations which are not specifically set forth below are set forth in the U.S. Department of Labor regulations implementing the federal Family and Medical Leave Act of 1993 (FMLA), and the regulations of the Department of Fair Employment and Housing implementing the California Family Rights Act (CFRA). Unless otherwise provided by this

Section "Family Leave" under this Agreement shall mean leave pursuant to the FMLA and CFRA.

2. Family Leave may be used in the following situations:
 - a. An employee's serious health condition which makes the employee unable to perform the functions of his/her job, except for leave taken for disability on account of pregnancy, childbirth or related medical conditions.
 - b. The birth of a child, and in order to care for the newborn child within one year of birth;
 - c. Placement of a child for adoption or foster care within one year of the placement;

 - f. Leave to care for a spouse, registered domestic partner, child, parent, or "next of kin" who is a covered service member of the Armed Forces who has a serious injury or illness incurred in the line of duty while on active military duty or that existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces.
3. Employees must request and identify their need for Family Leave. Certain other types of leaves available to employees under this Agreement may meet the requirements of Family Leave pursuant to applicable law. The County may apply any time during which an employee is on such leave against the amount of Family Leave to which the employee is entitled.
4. Eligibility for Family Leave will be determined according to the requirements of applicable law.
5. Family Leave shall not exceed twelve (12) work weeks for situations covered by subsection A(2)(a)–(d) above or twenty-six (26) weeks to care for a covered service member (subsection A(2)(e) and (f) above) during any calendar year. Where Family Leave qualifies as both military caregiver leave and care for a family member with a serious health condition, the leave will be designated as military caregiver leave first.

6. Leave taken under the FMLA for disability due to pregnancy shall run concurrently with leave taken under the California Pregnancy Disability Act. (See Section 4 of this Article). A family member may also be entitled to an additional twelve (12) weeks of bonding time under the CFRA.
7. The twelve (12) month period for calculating leave entitlement will be based on the calendar year (January 1 to December 31).

The use of Sick Leave shall be restricted to those circumstances which qualify under the provisions of Article IV, Section 1.B.

B. Notification Requirements

1. If the Family Leave is foreseeable, the employee must provide the Department with thirty (30) calendar days' notice of his or her intent to take Family Leave.
2. If the event necessitating the Family Leave becomes known to the employee less than thirty (30) calendar days prior to the employee's need for Family Leave, the employee must provide as much notice as possible. In no case shall the employee provide notice later than five (5) calendar days after he or she learns of the need for Family Leave.
3. For foreseeable leave due to a qualifying exigency, an employee must provide notice of the need for leave as soon as practicable, regardless of how far in advance such leave is foreseeable.
4. When the Family Leave is for the purpose of the scheduled medical treatment or planned medical care of a child, parent, spouse or registered domestic partner, the employee shall, to the extent practicable, schedule treatment and/or care in a way that minimizes disruption to department operations.

C. Verification

1. As a condition to the approval of Family Leave, an employee may be required to furnish certification from the health care provider which states: (1) the date on which the condition commenced; (2) the probable duration of the condition; (3) an estimate of time that the employee needs to be off; (4) that the employee cannot perform his/her duties because of the employee's own serious health condition or that care is needed when the leave is for an eligible family member pursuant to applicable law.

2. Employees who request leave to care for a covered service member who is a child, spouse, registered domestic partner, parent or “next of kin” of the employee must provide written certification from a health care provider regarding the injured service member’s injury or illness.
3. The first time an employee requests leave because of a qualifying exigency, the employee is required to provide the County with a copy of the covered military member’s active duty orders or other documentation issued by the military which indicates that the covered military member is on active or called to active duty in a foreign country with the dates of active duty service. New active duty orders or similar documentation shall be provided to the County if the need for qualifying exigency leave arises out of a different active or call to active duty status of the same or a different covered military member.
4. Failure to provide satisfactory verification of the necessity for Family Leave is grounds for denial of the Family Leave.

Section 14. Catastrophic Leave

The County will administer a Catastrophic Leave procedure designed to permit limited individual donations of Annual Leave, Vacation, Compensatory, Sick Leave (24 hours maximum per fiscal year) and/or PIP leave time to an employee who is required to be on an extended unpaid leave due to a catastrophic medical condition or other serious circumstances.

Section 15. Leave Provisions

ARTICLE VI ANNUAL LEAVE

The Annual Leave provisions shall apply to regular and limited term employees hired on or after July 15, 1977 and before the 2016-2019 MOU was adopted by the Board of Supervisors on December 13, 2016.

As discussed more fully in Section 5 of this Article, effective December 22, 2016, employees no longer accrue Annual Leave. Instead, employees accrue Sick Leave and Vacation time pursuant to Article IV, Section 1 and Article V.

2. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the County that the presence of the employee on duty would endanger the health of others.

For purposes of this Section, immediate family shall mean father, father-in-law, mother, mother-in-law, stepparent, brother, sister, wife, husband, registered domestic partner, child, stepchild, grandparent or legal ward.
4. Absence from duty because of personal emergencies not to exceed thirty (30) Annual Leave hours during the fiscal year.

Use of this leave is limited to the time period specified in Labor Code section 233. - C. An employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other satisfactory evidence of illness, injury, medical condition or medical or dental office calls. Such evidence may be required when the employee has been under the care of a physician or when there is reasonable expectation of abuse of Annual Leave for illness or injury. The requirement will expire after one year if Annual Leave is used properly during that period. This subsection shall not be subject to the arbitration provision.
- D. Annual leave shall not be applied to absences which occur on a County holiday.

Section 2. Use of Annual Leave for Pre-scheduled Vacation

- C. Annual leave vacation requests for the calendar year must be submitted by March 1 to receive consideration on a seniority basis.
- D. All Annual Leave scheduling shall be done by the Department with due regard to the needs of the County work schedule. When circumstances require, the department may reject an employee's request for Annual Leave vacation scheduling subject to the grievance procedure.
- E. Holidays which fall during an employee's Annual Leave (vacation) period shall not be charged against the employee's Annual Leave balance.
- F. It is the intent of the parties that the existing practice for scheduling vacations under this section be continued.

- A. In any use of Annual Leave, an employee's account shall be charged to the nearest quarter hour.
- B. Calendared Annual Leave, including vacations, shall be scheduled for employees by their department; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.
- C. No scheduled Annual Leave will be cancelled, except in cases of emergency.
- D. No employee shall be permitted to work for compensation for the County in any capacity during the time of his or her paid vacation from the County service except as a Fire Suppression Volunteer, Deputy Sheriff-Emergency Service, Election Board Officer or Election Night Help.
- E. The parties agree that the Annual Leave Plan shall not impact compensation, compensation earnable or final compensation as defined by the 1937 Retirement Act, above or below that to which employees would have been entitled prior to this agreement. If a court should decide that benefits under this plan, or analogous benefits, increase compensation, compensation earnable or final compensation above that to which employees would have been entitled prior to this agreement, the parties agree to meet and confer regarding employee/employer responsibility for funding said increase. Increased costs shall not be automatically assumed by the County.
- F. The County agrees that it will allow employees to use Sick Leave, Vacation and Annual Leave in accordance with state and federal law, including but not limited to California Labor Code.

Section 4. Annual Leave Payoff Provisions

- A. During each fiscal year, an employee with Annual Leave balances may cash out Annual Leave as follows:
 - 1. Effective December 23, 2016, an employee who has less than 750 hours of Annual Leave shall be allowed to cash out 30 hours of Annual Leave; an additional 30 hours may be requested, with its payout at the discretion of the Department Head.
 - 2. Effective December 23, 2016, an employee who has 750 or more hours of Annual Leave shall be allowed to cash out up to 60 hours of Annual Leave upon his/her request until such time as his/her accumulation is less than 750 hours, at which point cash-out procedures will be governed by Section 4. A.1, above.

3. Notwithstanding subsections 1 and 2 above, an employee may not cash out Annual Leave during the same fiscal year that Vacation Leave is cashed out (See Art. V, Section 2 L).
- B. An employee separating from County service shall be paid in a lump sum payment for the unused Annual Leave balance as provided below:

<u>Years of Service</u>	<u>Maximum Payoff</u>
Less than 3 years	160 hours maximum paid at 100%
3 but less than 10 years	240 hours maximum paid at 100%
10 or more years	A maximum of 1600 hours of the accrued Annual Leave balance has cash value. 320 hours are paid at 100%; the remaining balance, after the 320 hours are deducted, obtains cash value of 2% for each year of service, to a maximum of 50% i.e., 12 years of service equals 24% cash value for remaining balance; 25 or more years of service equals 50% cash value of the remaining balance

Notwithstanding the above, no employee may receive a payoff paid at 100% that exceeds 320 hours for combined accrued Vacation and Annual Leave. Accrued Vacation will be paid at 100% up to the accrual limits specified in Article V, Section 1.D; remaining hours, up to the accrual limits specified in Article V, Section 1.D, will be paid from the Annual Leave accrual. (Accrued Vacation that is taken as time-off for purposes of retirement (See Article V, Section 2.J), will be considered as a payoff for purposes of this provision.) Employees with 10 or more years of service will be eligible to receive pro-rated payouts at the time of separation in the percentages referenced above for all accrued Annual Leave hours remaining after the 100% payout, up to 1600 hours. For example, an employee with 18 years of service has 220 hours of accrued Vacation and 580 hours of accrued Annual Leave at the time of separation of service. The employee would be entitled to 320 hours of full pay (220 hours of Vacation and 100 hours of Annual Leave) plus 480 hours of pay (580 – 100) at 36% (18 years x 2%).

- C. Years of service as used herein shall be the equivalent of full-time continuous service hours in a regular position. Partial years of service will be prorated.
- D. An employee separating from County service by way of paid County retirement may elect either to take Annual Leave as time off or be paid for his or her Annual Leave in a lump sum payment under the following conditions:
 1. The amount of Annual Leave which can be taken as time off shall be limited to the amount of hours the employee is eligible to receive at 100%

(i.e., 160 hours for employees with less than three (3) years of service, 240 hours for employees with at least three (3) years of service but less than ten (10) years of service, 320 hours for employees with at least ten (10) years of service). If the employee does not take time off or the amount of leave taken as time off does not exceed the amount of hours the employee is eligible to be paid at 100%, the remaining balance (up to the allowed maximum less the hours taken as time off) shall be paid in accordance with the payoff provisions of Section 4.B of this Article.

2. Notwithstanding the above, any Annual Leave taken as time off during the final three (3) pay periods of employment with the County will be deducted from the Annual Leave payoff provisions set forth above. This provision shall not apply to the use of family leave, pregnancy leave, workers compensation leave, or other statutorily protected leave during the final three (3) pay periods of employment.

- B. If any two (2) or more employees have essentially the same grievance they may, and if requested by the County must, collectively present and pursue their grievance.
- C. If the grievant is a group of more than three (3) employees, the group shall, at the request of the County, appoint one (1) or two (2) employees to speak for the collective group. To be considered a grievant in the group grievance, employees must affirmatively identify themselves as grievants when the grievance is initially filed.

Section 4. Employee Representation

- A. An employee may represent himself or herself or may be represented by the Union in the formal grievance/appeal process as provided in this Article.
- B. Authorized grievance/appeal representatives shall include Union representatives or Shop Stewards as designated by the Union. The Union representatives or Shop Stewards may represent the grievant/appellant at any step of the grievance procedure and may attend the grievance meeting. The Union shall notify department heads of the names and titles of such representatives and send a copy of such notice to the Chief Human Resources Officer quarterly.
- C. If an employee chooses not to be represented by the Union, the Union may have staff representatives present at Step 2 of the grievance/appeal procedure and/or arbitration, and, if necessary, shall have the right to present the Union's interpretation of provisions of this Agreement at issue. Such presentation shall not include comments regarding the merits of the grievance. The decision of

the arbitrator in such a case shall not be precedent setting and shall not be admissible in any subsequent dispute between the County and the Union. The Union shall be given seven (7) calendar days' notice of said meeting(s) when practicable.

Section 5. Time Off for Processing Grievances/Appeals

A. Reasonable time off without loss of pay shall be given to:

1. an employee who has a grievance/appeal in order to attend a meeting with his or her supervisor or other person with authority under the grievance/appeal procedure to resolve the matter or to meet with his or her grievance/appeal representative;
2. an authorized grievance/appeal representative in order to attend a meeting with the represented grievant's/appellant's supervisor or other person with authority under the grievance/appeal procedure to resolve the grievance/appeal or to obtain facts concerning the action grieved/appealed through discussion with the grievant/appellant or other employees or through examination of appropriate County records or locations relating to the grievance/appeal.

B. The following restrictions shall apply in all cases to activity authorized in Section 5.A., above:

1. Before performing grievance/appeal work, the grievant/appellant or grievance/appeal representative shall obtain permission of his or her supervisor and shall report back to the supervisor when the grievance/appeal work is completed.
2. Neither the grievant/appellant nor the grievance/appeal representative shall interrupt or leave his or her job to perform grievance/appeal work if his or her supervisor determines that such interruption or absence will unduly interfere with the work of the unit in which the grievant/appellant or representative is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.
3. When an authorized grievance/appeal representative must go into another section or unit to investigate a grievance/appeal, the representative shall be permitted to do so provided that:
 - a. the representative checks in and checks out with the supervisor of the unit; and
 - b. such investigation does not unduly interfere with the work of the unit.

Section 6. Informal Discussion

If an employee has a problem relating to a work situation, the employee is

encouraged to request a meeting with his or her immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively towards settlement.

Section 7. Grievance/Appeal Steps

1. The grievance/appeal procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.

Step 1: Department Head

An employee may formally submit a grievance to the department head, or their designee, within fourteen (14) calendar days from the occurrence or notification which gives rise to the grievance. Such submission shall be in writing and shall state the nature of the grievance and the suggested solution. Within fourteen (14) calendar days after receipt of the written grievance, the department head or his or her designee(s) shall meet with the grievant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant. The County shall, whenever practicable, notify the grievant if more than one (1) management representative shall attend the Step 1 grievance meeting.

Step 2: Chief Human Resources Officer

If a grievance/appeal is not settled under Step 1, the Step 1 decision may be appealed in writing to the Chief Human Resource Officer within seven (7) calendar days after receipt of the written decision if it concerns:

- a. an interpretation or an application of this Memorandum of Understanding;
 - b. performance evaluation rating of "does not meet performance objectives;"
 - c. deferral or denial of a merit increase, or a dispute about the number of steps granted;
 - d. a written reprimand; or
 - e. a probationary release alleging discrimination.
2. An appeal of suspension and/or a reduction ordered by a Department Head or his or her designated representative may be submitted in writing at Step 2 within fourteen (14) calendar days after receipt of the notice of suspension and/or reduction.
 3. Within fourteen (14) calendar days after receipt of the written grievance/appeal, the Chief Human Resources Officer or his or her representative shall meet with the grievant/appellant. Within fourteen (14)

calendar days thereafter, a written decision shall be given to the grievant/appellant.

4. The decision of the Chief Human Resources Officer in B., C., D., and E. above, shall be final and binding and shall not be referable to arbitration.

Section 8. Referrals to Arbitration

A. Grievances

1. If a grievance is not resolved under Step 2, an arbitration request may be presented in writing to the Chief Human Resources Officer within seven (7) calendar days from the date a decision was rendered at Step 2. within 30 days of the submission of the arbitration request, the arbitration hearing date shall be calendared, unless the parties agree to extend the time allowed for calendaring. If the parties mutually agree to mediation and the grievance is not settled through the mediation process, the arbitration hearing date shall be calendared within 30 days of the mediation, unless the parties agree to extend the time allowed for calendaring.
2. The parties shall either sign a joint issue submission statement or else execute and sign separate alternative issue statements after discussing the issue(s). In either case, the parties shall send copies of their joint or separate submission statement(s) to each other within fourteen (14) calendar days before the first scheduled date of the arbitration hearing.

B. Disciplinary Appeals

1. Submission Procedure

- a. If an appeal from suspension or reduction is not settled at Step 2, it may be presented to the Chief Human Resources Officer within fourteen (14) calendar days from the date the decision was rendered.
- b. An appeal from any discharge or from a suspension or reduction imposed by the Chief Executive Officer may be presented to the Chief Human Resources Officer within fourteen (14) calendar days from the date the action becomes final.
- c. All disciplinary appeals shall be signed by an employee or by a representative of the Union and shall be submitted in writing.
- d. The issues in all disciplinary appeals shall be: Was (employee's name) suspended/reduced/discharged for reasonable cause? If not, to what remedy is the appellant entitled under the provisions of Article X, Section 8. of the MOU?
- e. As soon as practicable after a suspension, reduction or discharge appeal is presented to the Chief Human Resources Officer, an arbitrator shall hear the appeal.

2. Findings of Facts and Remedies

An arbitrator may sustain, modify or rescind a disciplinary action as follows and subject to the following restrictions:

a. All Disciplinary Actions

If the arbitrator finds that the disciplinary action was taken for just cause, he or she shall sustain the action.

b. Suspensions/Reductions

If the suspension or reduction is modified or rescinded, the appellant shall be entitled to restoration of pay and/or fringe benefits in a manner consistent with the arbitrator's decision.

c. Discharges

1. If the arbitrator finds that the discharge was not for just cause and should be modified, the appellant shall be restored to a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the appellant was removed from duty as determined by the arbitrator.

2. If the arbitrator finds that the discharge was not for just cause and should be rescinded, the appellant shall be reinstated in a position in his or her former class and shall receive fringe benefits and pay (which shall not include overtime the employee could have worked) as determined by the arbitrator but not to exceed the level of fringe benefits and pay for all of the period of time he or she was removed from pay status.

3. Restoration of pay and benefits shall be subject to reimbursement of all unemployment insurance and additional outside earnings which the appellant received since the date of discharge to the date of reinstatement.

C. General Provisions

1. The cost of arbitration (court reporter, arbitrator fees, and costs associated with arbitrator selection) shall be shared equally in all cases by the County and the appealing party except when the appealing party solely alleges discrimination under Article XVII, in which case the County shall bear the full cost. When the grievance involves both discrimination and other arbitrable issues, the proper division of costs shall be determined by the arbitrator.

2. Grievance/Appeal hearings by an arbitrator shall be confidential.

3. Arbitration appeal hearings of suspensions of less than forty (40) hours shall be limited to two (2) days unless both parties agree that a longer hearing is necessary. Both parties shall be allotted equal time during arbitration hearings involving such suspensions. The arbitrator shall be advised of the two (2) day limitation at the beginning of the hearing. The two (2) day limitation for arbitration appeal hearings shall not apply to suspensions imposed by the Chief Executive Officer.
4. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Conciliation Service, the American Arbitration Association or some other agreed upon source and each party shall alternately strike one (1) name from the list until only one (1) name remains. The party to strike first shall be determined by random draw.
5. Upon written request by the opposing party in a pending hearing given at least twenty (20) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than ten (10) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.
6. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable.
7. At the hearing, both the appealing employee and the County shall have the right to be heard and to present evidence. The following rules shall apply:
 - a. Oral evidence shall be taken only on oath or affirmation.
 - b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify and to rebut the evidence against the witness. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.

8. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions and irrelevant and unduly repetitious evidence shall be excluded.
9. The County shall be allowed to have one (1) employee, who may be called upon to testify as a witness, present at the arbitration hearing at all times.
10. The parties may mutually agree to forego the use of briefs and transcripts whenever practicable.
11. The decision of the arbitrator shall be final and binding on all parties.
12. As an alternative to proceeding directly to arbitration after completion of Step 2 of the grievance process, the parties may mutually agree to submit a grievance/appeal to mediation. A request for mediation may be presented in writing to the Chief Human Resources Officer within seven (7) calendar days from the date a decision was rendered at Step 2. A request for mediation will suspend the normal processing of a grievance until the mediation process is completed or the request is denied. The County shall respond to a request for mediation within fourteen (14) calendar days. The mediation process shall be optional, and any opinion expressed by the mediator shall be informal and shall be considered advisory. Within seven (7) calendar days after completion of the mediation process or denial of a request for mediation, an arbitration request may be filed pursuant to Section 8.A. or B., above.

ARTICLE XI LAYOFF PROCEDURE

Section 1. General Provisions

- A. This procedure shall not apply to a temporary layoff of less than four (4) consecutive weeks.
- B. This procedure shall not apply to employees who have special or unique knowledge or skills which are of special value in the operation of the County business.
- C. When two (2) or more departments are consolidated or when one or more functions of one department are transferred to another department, employees in all involved departments shall be subject to layoff if one is necessary.
- D. Section 7, Reemployment Lists, and Section 8, Status on Reemployment, of this Article, shall not apply if the County has a written agreement with an employer, public or private, which guarantees the County employee an offer of reasonably comparable employment with the new employer who is taking over a function formerly performed by County employees and the new employer makes such an offer in writing to the employee.

Section 2. Order of Layoff

- A. When a reduction in the work force is necessary, employees in regular positions and those occupying limited-term positions at the direction of their department head shall be laid off in an order based on consideration of:
 - 1. employment status,
 - 2. past performance,
 - 3. length of continuous service with the County.
- B. Layoffs shall be made by class within a department except that:
 - 1. Where a class has a dual or multiple concept, the Chief Human Resources Officer may authorize a layoff by specialty within the class.
 - 2. Where appropriate, the Chief Human Resources Officer may authorize a layoff by division or smaller unit of a department.
- C. Within a class, employees shall be subject to layoff in the following order:

<u>Employment Status</u>	<u>Layoff Order</u>
First - Temporary Promotion	Determined by Department
Second - New Probationary	Determined by Department

Third - Regular/Promotional Layoff Points Probationary

After all new probationary employees and employees on temporary promotion have been removed from a class within a layoff unit, the employee with the lowest number of layoff points shall be subject to layoff first. When two (2) or more employees have the same number of layoff points, the department shall determine the order of layoff for these employees.

- D. If a layoff is going to be made in a class from which an employee has left through a temporary promotion, the employee on temporary promotion shall be returned to his or her former class and shall be subject to layoff in accordance with this procedure.
- E. Teamsters Local 952 may designate employees who are regular Union officers or shop stewards to receive special seniority for purposes of layoff. The number of employees so designated shall not exceed two (2) percent of the employees in the Representation Unit. Employees so designated shall receive two hundred sixty (260) layoff points in addition to layoff points computed pursuant to Section 3., below.

Section 3. Computation of Layoff Points

Seniority Points:

The equivalent of each year of full-time continuous service with the County shall earn two hundred sixty (260) seniority points.

The equivalent of each regularly scheduled full day of continuous service of a partial year shall earn one (1) seniority point.

Demerit Points:

For a rating of "Does Not Meet Performance Objectives" on the last "Performance Evaluation Report," for the class currently held by the employee, the employee shall earn two hundred and sixty (260) demerit points. Demerit points shall only be used in the currently held class of an employee. Demerit points shall not be applied to an employee seeking to enter a lower class through voluntary reduction in lieu of layoff.

Layoff Points:

Layoff points shall be computed by subtracting demerit points, if any, from seniority points.

Section 4. Notification of Employees

- A. Written notice of layoff shall be given to an employee or sent by mail to the last known mailing address at least fourteen (14) calendar days prior to the effective date of the layoff. Notices of layoff shall be served on employees personally at work whenever practicable.

- B. It is the intent of the parties that the number of layoff notices initially issued shall be limited to the number of positions by which the work force is intended to be reduced. Additional notices shall be issued as other employees become subject to layoff as a result of employees exercising reduction rights under Section 5.
- C. The notice of layoff shall include the reason for the layoff, the proposed effective date of the layoff, the employee's hire date, the employee's layoff points, a list of classes in the employee's occupational series within the layoff unit, the employee's rights under Sections 5. and 6. and the right of the employee to advise the County of any objection to the content of the layoff notice prior to the proposed effective date of the layoff.

Section 5. Voluntary Reduction in Lieu of Layoff

- A. A promotional probationary or regular employee who is subject to layoff may request a reduction to a lower class within the same occupational series in the layoff unit provided the employee possesses the minimum qualifications for the class and passes any required performance tests. The reduction shall be made if there is a vacant position in the layoff unit or an incumbent in the lower class in the layoff unit has fewer layoff points than the employee requesting the reduction. In the latter case, the incumbent in the lower class with the fewest number of layoff points shall be subject to layoff.
 - 1. Employees who receive notice of layoff by personal service at work shall have until the end of their third regularly scheduled day of work following actual receipt of the notice to notify their department in writing of their intent to exercise rights under this Section. Employees whose third regularly scheduled day of work is more than three (3) calendar days after receipt of the notice shall have three (3) calendar days, excluding weekends and holidays, to notify their department of their intent to exercise rights under this Section; and where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.
 - 2. Employees who receive notice other than by personal service at work shall have five (5) calendar days, excluding weekends and holidays, following the date the person is personally served, or if service is made by mail, five (5) calendar days, excluding weekends and holidays, following date of proof of service by mail to notify their department of their intent to exercise rights under this Section. Where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.
 - 3. Failure by an employee to respond to his or her department pursuant to this Section shall result in a rebuttable presumption that the employee does not intend to exercise any right of reduction to a lower class and that the employee's hire date stated in the layoff notice was correct.

4. No employee action or inaction referred to in this Section shall be considered a waiver of an employee's right to file grievances concerning any matter within the scope of the grievance procedure.

Section 6. Voluntary Reduction from Classes Designated as Vulnerable to Layoff

An employee in a class designated by the County as vulnerable to layoff may request a voluntary reduction to any class provided the employee possesses the minimum qualifications and has passed any required performance tests for the class to which reduction is requested. Such employees shall be eligible for consideration for available positions in the class to which reduction is requested. If appointed, such an employee shall be placed on DEPARTMENTAL REINSTATEMENT LISTS pursuant to Section 7.A.3., below.

Section 7. Reemployment Lists

- A. The following persons shall be placed on DEPARTMENTAL REINSTATEMENT LISTS as provided in 1., 2. and 3., below, in the order of their respective layoff points with the person having the largest number of layoff points listed first:

1. Persons Laid Off

The names of persons laid off shall be placed on a DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which laid off.

2. Persons Who Exercise Their Rights Under Section 5.

The names of persons who exercise their rights under Section 5. shall be placed on a DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which reduced, excluding any classes at or below the level of the class currently held.

3. Persons Who Voluntarily Reduced Under the Provisions of Section 6.

The names of persons who were voluntarily reduced under the provisions of Section 6. shall be placed on a DEPARTMENTAL REINSTATEMENT LIST for the class from which reduced and for each class in the occupational series below the level of the class from which they voluntarily reduced, provided they request to be placed on such lists.

Positions to be filled shall be offered first to persons on the DEPARTMENTAL REINSTATEMENT LIST for that class, starting at the top of the list. If reinstatement is offered to a class other than that from which the person was laid off or reduced, such person must first meet the minimum qualifications and pass any required performance tests for that class.

- B. The names of persons laid off shall be placed on a COUNTY PREFERRED ELIGIBLE LIST for the class from which they were laid off and for any class

from which they previously voluntarily reduced pursuant to Section 5., in the order of their layoff scores, going from highest to lowest. When one (1) vacant position in a department, other than the department from which the employee was laid off, is to be filled in that class, ten (10) names shall be certified from the COUNTY PREFERRED ELIGIBLE LIST, starting at the top. When more than one (1) vacant position in a department, other than the department from which the employee was laid off, is to be filled in that class, the number of names certified, starting at the top of the COUNTY PREFERRED ELIGIBLE LIST, shall be equal to twice the number of vacancies plus seven (7). If there is a tie among layoff points at the last name to be certified, all tied eligibles shall be certified. Eligibles certified from COUNTY PREFERRED ELIGIBLE LISTS shall be considered prior to eligibles certified from lower-ranking eligible lists.

Appointments shall be made only from eligibles certified pursuant to Section 7.B. Appointments need not be made in the order of layoff points; any eligible certified in accordance with this provision may be appointed to a vacant position.

- C. Names of persons placed on the DEPARTMENTAL REINSTATEMENT LIST and the COUNTY PREFERRED ELIGIBLE LIST shall remain on the lists for two (2) years, except that:
1. A person who on two (2) separate occasions rejects or fails to respond within five (5) calendar days to offers of employment in a particular class shall be removed from the lists for that class.
 2. A person who on three (3) separate occasions declines referral for interviews in a particular class shall be removed from the lists for that class.
 3. An employee who upon retirement signs a statement electing not to be eligible for reemployment under this provision shall have his or her name excluded from the aforementioned lists.
- D. In the event two (2) or more departments are consolidated while DEPARTMENTAL REINSTATEMENT LISTS are in effect, such lists shall be combined and treated as one (1) list in accordance with the preceding provisions of this Section. When a transfer of one (1) or more functions of one (1) department to another department occurs, employees previously laid off from such function(s) who are on a DEPARTMENTAL REINSTATEMENT LIST for the department losing such function(s), shall be removed from such list and shall be placed on a reinstatement list for the department acquiring such function(s) and treated in accordance with the preceding provisions of this Section.
- E. Reemployment lists shall be available to the Union and affected employees upon reasonable request.

Section 8. Status on Reemployment

- A. An employee who has been laid off under the provisions of this Article and is subsequently reemployed in a regular or limited-term position within a two (2) year period from the date of his or her layoff shall receive the following considerations and benefits:
1. All Sick Leave and any unpaid Annual Leave remaining on the employee's account when laid off shall be restored.
 2. All seniority points held upon layoff shall be restored.
 3. All prior service shall be credited for the purpose of determining Sick Leave and Vacation earning rates and service awards.
 4. The employee shall be placed in the salary range as if the employee had been on a Leave of Absence Without Pay.
 5. The probationary status of the employee shall be as if the employee had been on a Leave of Absence Without Pay except that a probation period shall be established as determined by Article III, Sections 1.B.1. and 1.B.2. if reemployment is in a higher class or an occupational series different from that employed in at the time of layoff.
- B. An employee who has voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a regular or limited-term position in the class from which the employee reduced shall receive the following considerations:
1. The employee shall be placed in the salary range either as if the employee had been on a Leave of Absence Without Pay, or at the step on the salary range closest to, but which does not exceed, the employee's salary in the lower class, whichever is higher.
 2. The merit increase eligibility date shall be reestablished as determined by the Chief Human Resources Officer.
 3. The probationary status of the employee shall be as if the employee had been on a Leave of Absence.
- C. An employee who is voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a class higher than the one from which the employee was reduced shall receive the following considerations:
1. The employee shall be deemed returned to the class from which the employee had been reduced as provided in B., above.
 2. The employee's salary, probation period and merit increase eligibility date shall be determined by treating the employee as though he or she is being promoted from such class.

ARTICLE XII ON-THE-JOB INJURY, WORKERS' COMPENSATION SUPPLEMENT PAY

Section 1. Treatment of Industrial Injuries

Whenever an employee sustains an injury or disability arising out of and in the course of County employment and requires medical care, the employee shall obtain treatment according to the provisions of the California Labor Code Section 4600 *et seq.*

Section 2. Workers' Compensation Supplement Pay

- A. Whenever an employee is compelled to be absent from duty by reason of injury or disease arising out of and in the course of County employment, the employee shall receive workers' compensation supplement pay which, when added to the workers' compensation temporary disability benefit, shall equal eighty (80) percent of the employee's base salary for a period not to exceed one (1) year including holidays.
- B. Workers' compensation supplement pay shall begin the same day as the workers' compensation temporary disability benefits. Prior to qualifying for workers' compensation temporary disability benefits, an injured employee may, at his or her option, use any accrued Annual Leave, Sick Leave, Compensatory time and/or Vacation, in that order.
- C. While an employee receives workers' compensation supplement pay, no deductions nor payments shall be made from any Annual Leave, Sick Leave, Compensatory time or Vacation time previously accumulated by the employee. The employee shall not accrue Annual Leave, Sick Leave or Vacation credit during the period in which the employee receives workers' compensation temporary disability benefits.
- D. When an injury is determined to be job related by the County or by the Workers' Compensation Appeals Board, eighty (80) percent of all Annual Leave, Sick Leave, Compensatory time and/or Vacation expended since the fourth (4th) day of disability shall be restored to the employee's account(s), except that if the injury required the employee's hospitalization or caused disability of more than fourteen (14) days, eighty (80) percent of all Annual Leave, Sick Leave, Compensatory time and/or Vacation expended since the first day of disability shall be restored to the employee's account(s).
- E. The merit increase eligibility date and probation period of any employee who receives workers' compensation benefits shall be extended by the length of time the employee receives such benefits, except that the first fifteen (15) consecutive calendar days from the date of the injury shall be considered County service for merit increase eligibility and completion of the probation period.

- F. When an employee is no longer entitled to receive workers' compensation supplement pay, the employee may, at his or her option, use Annual Leave, Sick Leave, Compensatory time, and Vacation, in that order, if the employee is compelled to be absent from duty as set forth in Paragraph B., above.
- G. Time during which an employee receives workers' compensation temporary disability benefits shall be counted toward the computation of County seniority and determination of Annual Leave, Sick Leave and Vacation earning rates.

Section 3. Exposure to Contagious Diseases

Whenever an employee is compelled by direction of a County-designated physician to be absent from duty due to an on-the-job exposure to a contagious disease, the employee shall receive full compensation for a period not to exceed eighty (80) working hours for a full-time employee or fourteen (14) calendar days for a part-time employee. If the absence extends beyond the applicable period, Sick Leave, Compensatory time, Annual Leave and/or Vacation may be used, at the employee's option, in that order.

ARTICLE XIII SAFETY

Section 1. General Provisions

- A. No employee shall be required to work under conditions dangerous to the employee's health or safety.
- B. The County shall make every reasonable effort to provide and maintain a safe place of employment. The Union shall urge all employees to perform their work in a safe manner. Employees shall be alert to unsafe practices, equipment and conditions and report any such unsafe practices, equipment or conditions to their immediate supervisors. Employees shall follow safe practices and obey reasonable safety rules during the hours of their employment.
- C. Any employee who either does not receive an answer to a safety-related question from his or her supervisor within three (3) days or receives an answer which the employee deems unsatisfactory may directly contact the County Safety Officer.
- D. Any employee who is directed to perform a task which the employee in good faith feels is unsafe may request an immediate investigation from the Safety Officer. - E. The County shall furnish all equipment which is necessary for employees to perform their job in a safe manner.
- F. Wherever practicable, the County shall provide the necessary first aid kits in each location.
- G. The County shall provide first aid training for a sufficient number of employees at each work location.

Section 2. Safety Inspection

During inspection of County facilities conducted by the State Division of Industrial Safety for the purpose of determining compliance with the California OSHA requirements, the Union designated employee shall be allowed to accompany the inspector while the inspector is in the employee's department. The employee so designated shall suffer no loss of pay when this function is performed during the employee's regularly scheduled work hours.

Section 3. Abatement of Violations

In any instance in which the County is cited for a violation of CAL/OSHA, the County shall abate the cited hazard to health or safety within the abatement period required.

Section 4. Safety Representatives

- A. Safety Representatives may be selected by the Union to meet at least once a month, upon request, with a County designated supervisor or manager for each County facility to discuss matters affecting employee health and safety.
- B. The number of Safety Representatives at each facility shall be determined as follows:
 - 1. For facilities with fewer than one hundred (100) Bargaining Unit employees, one (1) Safety Representative may be selected.
 - 2. For facilities with one hundred (100) or more Bargaining Unit employees, one (1) Safety Representative may be selected for each one hundred (100) Bargaining Unit employees or for each fraction thereof.
- C. A Safety Representative who has received a safety or health complaint shall be given reasonable time off without loss of pay to gather appropriate information on such complaint provided that:
 - 1. The Safety Representative obtains permission from his or her supervisor prior to performing such work and reports back to the supervisor when the work is completed.
 - 2. The Safety Representative shall not leave his or her job to perform such work unless his or her supervisor determines that the employee's absence will not unduly interfere with the work of the unit in which the employee is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.
 - 3. When an authorized Safety Representative must go into another section or unit to gather information regarding a safety or health complaint, the Safety Representative shall be permitted to do so provided that:
 - a. the Safety Representative checks in and checks out with the supervisor of the unit; and
 - b. he or she does not unduly interfere with the work of the unit.

Section 5. Resolution of Safety or Health Complaints

1. Except as set forth in subsections 4 and 5 below, employees will be provided a one-fiftieth (1/50) retirement benefit calculated pursuant to Section 31676.19 of the Government Code. (This retirement benefit formula is commonly known as the "2.7% at 55" benefit formula.)
 2. For employees hired on or before August 31, 1979, the retirement allowance will be computed on the highest one (1) year of final compensation per Government Code Section 31462.1.
 3. For employees hired on or after September 1, 1979, the retirement allowance will be computed upon the employee's highest three (3) years of compensation per Government Code Section 31462.
 4. Pension Formula Election for Employees Hired Prior to May 7, 2010
 - a. Employees hired prior to May 7, 2010, will be eligible for the Pension Formula Election described below once the Board of Supervisors approves an implementing resolution (which shall be after the pending tax issues have been resolved so that the election will not result in any negative tax consequences for eligible unit members). Eligible employees will have 180 calendar days from that date within which to elect one time only whether to terminate for future County service their pension calculation stated in Section 31676.19 of the Government Code (the "2.7% at 55" benefit formula) and elect instead the pension calculation stated in Section 31676.01 of the Government Code (the "1.62% at 65" benefit formula) for future County service.
 - b. In the event an eligible employee fails to make an election during the period set forth in Section 4a above, the employee shall continue to be provided with the "2.7% at 55" benefit formula and shall make the employee retirement contributions established for that benefit formula.
 - c. In the event an eligible employee elects the "1.62% at 65" benefit formula, the employee shall be eligible to participate in the County 1.62 Retirement 457(b) Defined Contribution Plan (the "DC Plan") described in Section 3 below.

- d. Effective with the pay period following the date an employee elects the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Section 31621 of the Government Code. The employee will also make the contributions described in Section 2.B and C of this Article.
5. Pension Formula Election for Employees Hired on or After May 7, 2010 and Before January 1, 2013
- a. Employees hired on or after May 7, 2010 and before January 1, 2013, had forty-five (45) calendar days from the date of hire or other date of eligibility with the County (or other date of eligibility) to elect either the “2.7% at 55” benefit formula or the “1.62% at 65” benefit formula. Regardless of which benefit formula was selected, the employee is required to make retirement contributions in accordance with the provisions of Section 2.B and C.
 - b. In the event an eligible employee failed to make an election during the period set forth in section 5a above, the employee was deemed to have elected the “1.62% at 65” benefit formula).
 - c. After the employee made an election or was deemed to have made an election as described in Sections 5a and b above, the employee was required to make retroactive contributions through payroll deductions, equal to the contributions that would have been made from the employee’s hire date, for the appropriate election as described in this Article. County matching contributions to the DC plan, for employees who chose the “1.62 at 65” benefit formula are not retroactive to the employee’s date of hire and were calculated from the date that the employee made an election or was deemed to have made an election of the “1.62 at 65” benefit.
 - d. An employee who elected or was deemed to have elected, the “1.62% at 65” benefit formula, is eligible to participate in the DC Plan described in Section 3. below.
 - e. Effective with the pay period following the date an employee elected or was deemed to have elected the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Section 31621 of the Government Code. The employee will also make the contributions described in Section 2.B. and C.of this Article.
- B. For employees hired on or after January 1, 2013, who are considered “New Members” within the meaning of the Public Employees Pension Reform Act of 2013:

1. The retirement formula will be the “1.62 at 65” benefit formula described in Government Code section 31676.01.
2. The determination of final compensation, pensionable compensation, and other pension related conditions covered by PEPRA, shall be governed by the provisions of that law and the OCERS Board of Retirement. Employees will also make the contributions described in Section 2.B. and C. below.
3. “New Members” are eligible to participate in the “DC Plan” described in Section 3 below.

Section 2. Retirement Contributions

- A. Members' normal and cost-of-living contributions will be established and adjusted subsequent to and in accordance with state law and the actuarial recommendations adopted by the Retirement Board and the Board of Supervisors.
- B. The County will adopt employee contribution rates equal to County contributions for full reserve funding of cost of living increases to retirees for all active members of the retirement system as recommended by the OCERS actuary. Employees will pay the full member contribution for each of the benefit plans provided by the County.
- C. Employee retirement contributions to offset the increased cost of the “2.7% at 55” benefit formula:
 1. It is the intent of the parties that the implementation of the “2.7% at 55” retirement benefit formula shall be without additional cost to the County, i.e., it will be borne entirely by the employees.
 2. Effective with the pay period that commences on June 24, 2005, normal employee contribution rates to the retirement system, for pay periods during which a general member is covered by the “2.7% at 55” benefit formula, will be calculated pursuant to Section 31621.8 of the Government Code.
 3. Effective with the pay period that commences on June 24, 2005, general members in this bargaining unit will make an additional employee contribution to the retirement system. This contribution will be in addition to the normal employee contribution calculated under Section 31621.8 of the Government Code (or Section 31621 of the Government Code, if applicable), and will be in addition to the employee contribution required to help provide full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the actuary. The additional employee contribution made under this paragraph is known as the “Reverse Pickup” and is designed to offset both the

prospective increased costs, as well as the increased costs attributable to past service liability of providing this enhanced retirement benefit.

- a. The portion of the additional employee contribution that is attributable to past service liability shall be in accordance with, and for the purposes stated, in Section 31678.3(d) of the Government Code. This additional employee contribution shall continue beyond the expiration date of this MOU, for the purpose of amortizing, over a 20 year period, the cost of the enhanced retirement benefit.
 - b. The portion of the additional employee contribution that is attributable to the prospective increased cost of the benefit shall also continue beyond the expiration date of the MOU but unlike the past service liability, does not expire at the end of the 20 year period set forth above.
4. After implementation of this benefit, the County and Teamsters Local 952 will annually review its costs including costs impacted by changes in investment earnings and evaluate whether any adjustments to employee contributions are necessary.
 5. The relative-ratio based methodology will be used during the term of this contract to determine the additional employee contribution toward the 2.7% at 55 retirement benefit formula.

D. Retirement Contributions for Employees Covered by the “1.62 at 65” Benefit Formula

1. Employees covered by the “1.62 at 65” Benefit Formula will pay the full normal employee contribution rate to the retirement system, as calculated pursuant to Section 31621 of the Government Code. Employees will also make the contributions described in Section 2.C above.
2. Irrespective of whether employees covered by the “1.62% at 65” formula are required or permitted to make the contributions described in Section 2.C, it is still the intent of the parties that the implementation of the “2.7% at 55” retirement benefit formula shall be without additional cost to the County.

E. Reduction in Reverse Pickup

1. Effective the first day of the first full pay period (January 17, 2020) following Board of Supervisors adoption of this MOU, the annual reverse pickup contribution rate for employees in the PEPRA and 1.62% at 65 Classic benefit formulas will be frozen at the fiscal year 2019-2020 rates. The reverse pickup contribution rate for employees in the 2.7% at 55 benefit formula shall continue to be calculated pursuant to Section 2 of this Article.

2. Effective the first day of the first full pay period (January 17, 2020) following Board of Supervisors adoption of this MOU, reduce Reverse Pickup by an ongoing 1.20%.
3. Effective July 3, 2020, reduce Reverse Pickup by an additional 1.20%, for a total fixed ongoing 2.40% reduction of the employee's reverse pickup.
4. Effective July 2, 2021, reduce Reverse Pickup by an additional 0.64%, for a total fixed ongoing 3.04% reduction of the employee's reverse pickup.
5. Effective July 3, 2022, the entire Reverse Pickup for employees in the PEPRA and 1.62% at 65 Classic benefit formulas shall be eliminated.

Section 3. Defined Contribution Retirement Plan

- A. Beginning May 7, 2010, the County will make available a County 1.62 Retirement, Section 457(b) Defined Contribution Plan (the "DC plan") to those employees who are covered by the "1.62% at 65" benefit formula (whether by election, deemed to have elected, or are hired on or after January 1, 2013 and are deemed to be "new members" within the meaning of PEPRA). These employees will be permitted to make voluntary contributions to the "DC Plan." The County will make matching contributions as described in Section 3.B. below.
- B. The County will contribute a biweekly amount to a Section 401(a) Defined Contribution Plan for an eligible employee equal to the biweekly amount that the employee contributes to the "DC Plan," not to exceed two (2) percent of the employee's base salary (the "match"). County contributions to the Section 401(a) Defined Contribution Plan shall vest on behalf of the participant after that participant has been continuously employed by the County for a period of five (5) years. For this purpose, one year shall be equal to 2,080 paid hours of service, exclusive of overtime.
- C. Employee contributions to the "DC Plan(s)" and the County contributions to the Section 401(a) Defined Contribution Plan shall be subject to contribution limits imposed by the Internal Revenue Service. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.
- D. If the County forms a study group to review potential modifications to the County's defined contribution plan, Teamsters Local 952 may designate one member to be part of the study group. The purpose of the study group shall be to develop and recommend to the Board of Supervisors criteria to be used to establish the County's future matching contributions to the Defined Contribution Plan as described in Section 3.B. above.
- E. Upon mutual written agreement the parties agree to a re-opener to discuss automatic enrollment of new hire bargaining unit members in the appropriate County Defined Contribution plan.

Section 4. Tax-Deferred Retirement Plan

The County will administer an approved tax-deferred retirement plan which will allow employees to reduce their taxable gross income by the amount of their retirement contribution. The plan shall be in effect for the term of this Memorandum of Understanding subject to approval by the Internal Revenue Service.

ARTICLE XXIII SEPARABILITY

In the event that any provisions of this Memorandum are declared invalid by any court of competent jurisdiction, such decision shall not invalidate the entire Memorandum, it being the express understanding of the parties hereto that all other provisions not declared invalid shall remain in full force and effect.

ARTICLE XXIV RECOGNITION

Section 1.

Pursuant to the provisions of the Employee Relations Resolution of the County of Orange (EER) and Section 3502 of the Government Code (Meyers-Milias-Brown Act). International Brotherhood of Teamsters Union Local 952 (hereinafter referred to as the Teamsters Local 952) was certified on December 29, 2015 as the Exclusively Recognized Employee Organization for employees in the Operations and Services Maintenance Unit as listed in Appendix A.

Section 2.

Renegotiation in the event Teamsters Local 952 desires to negotiate a successor agreement, Teamsters Local 952 shall submit, no later than on the ninetieth (90th) calendar day before expiration of this Agreement.

ARTICLE XXV

STRIKES

During the life of this Agreement, no work stoppages, strikes, slowdowns or other concerted employee actions that can be interpreted as job actions shall be caused or sanctioned by the Union.

ARTICLE XXVI LABOR MANAGEMENT COMMITTEES

Section 1. Introduction

- A. The County and Union desire to mutually encourage a cooperative, collaborative partnership approach to addressing and resolving workplace issues. The County and Union further desire to provide an opportunity for labor and management representatives to promote and maintain harmonious labor/management relations through the establishment of department Labor Management Committees. This section is not intended to change or replace mutually agreeable existing arrangements, including labor-management forums, except by mutual agreement.
- B. The Labor Management Committee (LMC) process is intended for department management and labor representatives to collaborate in a regularly scheduled (at least monthly) forum to develop solutions to workplace issues that are deemed appropriate for discussion. The County and Union recognize that this process will provide an important opportunity to achieve mutually acceptable solutions to workplace issues.
- C. It is the intent of the process that each party should raise issues prior to making decisions or adopting courses of action that may affect the other party.
- D. An issue may be considered by the LMC members unless the issue:
 - 1. Concerns only an individual employee, such as that employee's performance evaluation, PIP award, discipline or an individual problem with another employee;
 - 2. Has County-wide impact; or
 - 3. Involves the classification of one or more employees.
- E. LMC members will have the authority to discuss and develop solutions to workplace issues submitted by employees and management and to present those solutions to the LMC Sponsors.
- F. The activities of LMCs will be effectively communicated to all employees through mutually agreeable methods.

Section 2. Structure

- A. The LMC program shall be jointly administered by four central LMC Program Sponsors, two of whom shall be appointed by the Chief of Employee Relations and two of whom shall be appointed by Teamsters. Any issue concerning the implementation or administration of the LMC process may be referred to the LMC Program Sponsors by request of either party.

- B. 1. Every department shall have an LMC.
- 2. The department LMC structure shall consist of management representatives selected by the department and employee representatives selected by Teamsters. The LMC Program Sponsors may also select representatives to participate on the LMC.
- 3. Each department LMC shall have two sponsors who may or may not be members of the LMC: the department head and a representative designated by Teamsters. The role of the sponsors is to monitor the direction and progress of the LMC and to provide the support and resources necessary to constructively address and resolve workplace issues.

Section 3. Time Off for LMC Activities

- A. A reasonable number of employees shall be allowed reasonable time off without loss of pay to serve as employee representatives in the LMC process.
- B. In addition to A, above, reasonable time off without loss of pay shall be given to employees and LMC employee representatives as necessary to effectuate the purposes of the LMC process.

Section 4. Process

- A. Employees may submit a form entitled Workplace Issue Statement Form describing the workplace issue, the recommended change(s) and the advantage(s) associated with the change. Employees may choose to remain anonymous when submitting their workplace issue; however, anonymity may hinder the ability of the LMC to fully evaluate the issue presented.
- B. Employees may submit the Workplace Issue Statement form to any active LMC member or to LMC sponsors.
- C. The LMC member shall discuss and develop possible solutions to the submitted workplace issues. An LMC member may contact the employee who submitted the workplace issue to obtain additional information/clarification.
- D. Workplace issue solutions will be determined by a consensus of the members present at the LMC meeting and submitted as a recommendation to the LMC sponsors.
- E. Within 30 days of receipt of the LMC recommendation, the department LMC sponsors shall respond to the LMC members in writing, indicating their acceptance, suggested modifications, or rejection of each proposed solution and/or schedule for implementation. The sponsors shall provide written reasons for a rejection/modification of a solution submitted by the LMC.
- F. Any issue which is not resolved by the department LMC shall upon request by either departmental sponsor be submitted to the central LMC Program

Sponsors for advisory review.
